**PASTOR'S MEDITATION: Sixth Sunday of year A (Feb 16): IN JESUS IS REVEALED THE NEW WISDOM, A NEW LAW, A NEW WAY OF LIVING.**

Today's readings challenge us to choose freely and wisely to observe the laws given by a loving and caring God. He revealed His laws to His Chosen People through Moses and the prophets in the Old Testament, and through His own Son, Jesus, in the New Testament. For the Israelites, the Torah was not a set of laws, but the instruction or *teaching* intended to promote the holiness and wholeness of each believer. It was the revealed will of a caring God, for the people with whom He made His covenant. We need to obey God's Law, appreciating its basic principles: In obeying God's law and Church law, let us remember the two basic principles on which these laws are based, namely, the **principle of reverence** and the **principle of respect**. In the first four of the Ten Commandments, we are asked to reverence God, reverence His holy Name, reverence His holy day and reverence our father and mother. The next set of commandments instructs us to respect life, one's personal integrity and good name, the legal system, another's property and another's spouse. Our obedience to these laws must be prompted by love of God and gratitude to God for His blessings. Happy are they who choose to keep his commandments and follow his ways. Have a blessed week. *Fr. Leonard Mukiibi*

**THE ST. THOMAS PARISH OFFICE** will be closed on Tuesday, February 18.

**ST. THOMAS THE APOSTLE SCHOOL ESSAY:**

There are many why I love my Catholic school. One of the reasons is the teachers because they are super kind, nice and because they help us to grow, to love and serve God.

Another reason I love my Catholic School is Friday families. We get to sit with other students at Church rather than just our class.

Another reason I love my Catholic School is Mrs. Lueckenhoff and Mr. Heckemeyer. They both help our school one way or another. They both watch us at lunch to make sure we are behaving so that our teachers don't have to. Mrs. Lueckenhoff takes care of us when we fall down and hurt ourselves. Mr. Heckemeyer teaches us physical education. In physical education we play pickle ball, basketball, football, ping-pong, and volleyball to name a few and they both make our school very special. Another thing I like about our Catholic School is every subject. Especially religion because it helps us grow in faith and to be more like God and Jesus. Another thing I like about our Catholic School is my friends because sometimes we swing. Other times we play on the playground. Another reason I love my Catholic School is Church. Church helps us be a better child of God and that is why I love St. Thomas the Apostle Catholic School. **Valerie Verslues – 4<sup>th</sup>**
