PASTORS MEDITATION: 30th Sunday in ordinary time, year B: **World Mission Sunday** (Jer. 31:7-9; Heb. 5:1-6; Mk. 10:46-52) Catholics all over the world observe today as World Mission Sunday. This annual observance was instituted 95 years ago in 1926 by Pope Pius XI's Papal decree. Every year since then, the universal Church has dedicated the month of October to reflection on and prayer for the missions. On World Mission Sunday, Catholics gather to celebrate the Eucharist, and to contribute to a collection for the work of evangelization around the world. This annual celebration gives us a chance to reflect on the importance of mission work for the life of the Church. It reminds us that we are one with the Church around the world and that we are all committed to carrying on the mission of Christ, however different our situations may be. The goal of the Church's mission is to illumine all peoples with the light of the Gospel and all Christians should redouble their commitment to participate in the missionary activity that is an essential component of the life of the Church. Pope Francis in his first World Mission Sunday message 2013, challenged us to proclaim courageously and in every situation the Gospel of Christ, a message of hope, reconciliation, and communion. In his 2014 Mission Sunday message, the Pope challenged the Church to become a welcoming home, a mother for all peoples, and the source of rebirth for our world through the intercession of Mary, the model of humble and joyful evangelization. "The Church is on a mission in the world," Pope Francis wrote in his 2019 World Mission Day message, Baptized and Sent. "This missionary mandate touches us personally: **I am a mission, always; you are a mission, always; every baptized man and woman is a mission.**" Hence the Holy Father calls on all Catholics and the Church to revive missionary awareness and commitment. In his 2020 message our Holy Father asked us to discharge our mission duty by volunteering with prophet Isaiah "Here am I, send me" (6:8) to alleviate the suffering of our Covid-19-stricken brothers and sisters. The theme of 2021 World Mission Day. "We cannot but speak about what we have seen and heard" (Acts 4:20), is a summons to each of us to own and to bring to others what we bear in our hearts. In these days of pandemic, when there is a temptation to disguise and justify indifference and apathy in the name of healthy social distancing, there is urgent need for the mission of compassion, which can make that necessary distancing an opportunity for encounter, care and promotion.

The Church, according to Vatican Council II, is "missionary" in her very nature because her founder, Jesus Christ, was the first missionary. God the Father sent God the Son, Incarnate in Jesus, His Christ, into the world with a message of God's love and salvation. Thus, **the evangelizing mission of the Church is essentially the announcement of God's love, mercy, forgiveness, and salvation as these are revealed to mankind through the life, death, and Resurrection of Jesus Christ our Lord.** We should evangelize by exemplary and transparent Christian life, by prayer, and by financial support. The most powerful means of preaching Christ is by living a truly Christian life, a life filled with love, mercy, kindness, compassion, and a spirit of forgiveness and service. Prayer is the second means of missionary work. Jesus said: "Without Me you can do nothing." Therefore, prayer is necessary for anyone who wishes to accept Jesus as Lord and Savior. **All missionary efforts also require financial support because the love of God can often be explained to the poor only by providing them with food, medicine, and a means of livelihood.** Hence, on this Mission Sunday let us learn to appreciate our missionary obligation and support the Church's missionary activities by leading transparent Christian lives, by fervent prayers, and by generous donations.

Have a blessed week! Fr. Leonard Mukiibi
