

St Thomas the Apostle Parish 150th Heritage Celebration

History Museum – 12:30 p.m. – 5:30 p.m.

The Sesquicentennial Committee will be sponsoring a historical museum at the October 6, 2019 Celebration. You are invited to provide vintage, historical items for display that our visitors might enjoy viewing. Since the items will be displayed in the parish center, we cannot accept any large farm machinery or large furniture.

Suggested items include: Osage Indian artifacts, religious items, school items, immigration trunks, farm tools and other small farm items, military items, ancestry photographs, antique wedding dresses, kitchen items (such as butter churns, coffee grinders, etc.), antique toys, items from Germany (such as steins, German prayer books, German Christmas ornaments), St. Thomas business memorabilia, and any other vintage items or collections that you feel our visitors might enjoy viewing.

Security measures will be taken to protect your items. Visitors will not be allowed to handle or touch items. Designated individuals (guards) will also be available throughout the day to ensure items do not leave the museum. Security cameras are also on site. St. Thomas the Apostle Church and the Sesquicentennial Committee are not responsible for items submitted for display.

You will have the choice of bringing individual items or reserving a table for multiple items:

____ RESERVING ENTIRE TABLE

- Examples include Family Table, Historic Business Table, Notable Person Table, Collections Table
- If you would like to reserve multiple tables, please indicate the number of tables needed and the topic covered for each table
